7. The game result stands if the first half is complete before unsafe weather forces a game stoppage in excess of fifteen (15) minutes.
9. Where possible Rain-outs and postponed games will be rescheduled for the same week.
10. Player call-ups are not permitted during playoff and finals play.

The governor of the age division has the option of playing a 1 or 2 game elimination series for playoff games, following the rules outlined above. The governor **MUST** declare their intention to use a 2 game playoff structure by July 1st, otherwise, a 1 game playoff structure will be assumed. *The 2 game elimination series can only be used for U19 Age Groups.*

If a 2 game playoff structure is used, the total points from the two games are added together to determine a winner. If the total points are tied, the following formula is used:

1. Best goal difference (goals scored minus goals allowed) ... if still tied, then
2. Most goals scored ... if still tied, then
3. Penalty kicks as per N.A.S.C. Rules.
